1. We promote the principles of fairness and justice for all we provide in our Cricket Club.
2. We ensure that all players / members have equal access to the full range of cricket and social opportunities provided by the Cricket Club.
3. We constantly strive to remove any forms of indirect discrimination that may form barriers to playing cricket and non-playing membership of the Club.
4. We ensure that all recruitment, employment, promotion and training systems are fair to all, and provide opportunities for everyone to play and socialize.
5. We challenge stereotyping and prejudice whenever it occurs.
6. We incorporate the cultural diversity for our community and show respect for all minority groups.
7. We are aware that prejudice and stereotyping is caused by low self-image and ignorance. Through positive educational experiences and support for each individual's point of view, we aim to promote positive social attitudes and respect for all.

The club fixtures, social calendar and policies reflect the attitudes, values and respect that we have for minority ethnic groups.
